

Echo PB9010T Backpack Blower 79.9CC Tube Mount RECPB9010T

Details

The Echo PB-9010T is the world's most powerful backpack blower with a 79.9CC professional-grade, 2-stroke engine. Also known as "The Beast", this tube-mounted blower is designed to handle the most demanding cleanup jobs with an industry leading 48N of blower force. Features include a 79.9 cc professional-grade 2 stroke engine for performance and durability, exclusive vented back pad providing cooling air for user comfort in hot weather, a large, 2-stage, top-mounted pleated paper main filter plus foam prefilter for excellent engine protection even in dusty conditions for long engine life, a metal ring on the lower pipe to help reduce pipe wear, Posi-loc pipes for a secure connection and maximum durability, and a variable-speed, tube-mounted throttle with cruise control for convenience. 79.9cc. Tube mounted.

Please note: Due to excessive air freight charges, this item will be shipped ground freight.
