

Echo CS-4920 Chainsaw 18in 50.2CC

Rear Handle

RECCS4920-18

Details

The CS-4920 is a heavy duty chainsaw featuring a 50.1cc professional grade 2-stroke stratified, scavenging engine that provides more power and less emissions than any other saw in the same class. Professional features include dual drop prevention bar nuts, a heavy-duty air filter with tool-less access and a momentary switch, side access chain tensioner for quick chain adjustment, translucent fuel tank, and momentary switch make it ideal for a range of jobs. Lightweight 11 lbs. 50.2cc.

- 50.2 cc professional-grade 2-stroke engine
- Purge bulb and stop switch automatically return to "ON" position
- Tool-less air filter cover for easy access
- Tool-less oil/fuel caps for easy refilling
- G-Force Engine Air Pre-Cleaner reduces engine exposure to dirt and debris
- Translucent fuel tank for easy level checks
- Ergonomic front handle for increased maneuverability
- Dual drop prevention nuts
- Aggressive metal spikes for bucking
- Decompression valve reduces rope-pulling effort for easier starts
- Side-access chain tensioner for easy chain adjustments
- Weight: 11 lb.
