

Sphere-X Ultimate Safety Glasses - Clear R7068C

Details

Contemporary wraparound ballistics-rated protection safety glasses for harsh industrial environments. Unique frame design with ventilation slots. The adjustable 4-length drop temples gently hook behind the ears for a custom fit, reducing slippage during work activity. The soft, self-fitting rubber nose bridge conforms to a wide range of bridge sizes to enhance comfort and secure fit. Black vented frames. Meets ANSI Z87.1, CE EN-166, Ballistic Vo rated for impact. Clear lens.

- Ballistics-rated protection
- Ventilation ports
- 4-length temples
- Soft, rubber nose bridge
- Clear lenses; black frame
