

## Echo 18in Pro Am .325 Bar

REC18FOAD3372C

### Details

ECHO's laminated replacement chainsaw bar is a stiffer bar design to deliver more precise cutting. With a lightweight aluminum core design to improve balance on smaller saws and to reduce user fatigue, a durable alloy-steel construction, and a hard rail groove that creates better chain retention and less wear, ECHO's guide bar is an excellent choice for versatile, and high-performance applications.
