

Newstripe Ecoliner Plus Battery Powered Field Striper

RNS4484

Details

Features a heavy duty, diaphragm pump powered by a 12-volt deep cycle battery. Quickly and easily paint professional quality lines for hours on a single battery charge. No expensive gasoline engines or compressors to maintain. Simply, place a 5-gallon pail of premixed paint on the machine and you are ready to mark. When finished, flush clean water through the spraying system and you are ready for the next field marking job. Knobby, No-Flat tires that never need inflating. Includes a quick charge 120V plug-in battery charger. Made in U.S.A. 12 month warranty. Made in the U.S.A.
