

Water Cooler - Undercover Free- Standing 2.8 Gph Pv RS3002EQ

Details

Self-contained, electric refrigerated, free-standing water cooler designed to be easily accessible to able-bodied individuals. Platinum vinyl finish resists stains and corrosion and is easy to maintain. Anti-splash ridge reduces splatter. Heavy-gauge, vinyl clad steel. Resistant to wear, moisture, perspiration, heat and sunlight. Mounts flush against wall for a clean, attractive appearance. Positive sensing thermostat. Inlet strainer. Available in 2.8 GPH or 5 GPH. Certified NSF-ANSI 61.
