

## Moly 101 Grease - Tube Case/30

RSW101-30

### Details

The finest multi-purpose grease on the market today. Out-performs competitive products with friction reduction, heat and wear control. Outstanding high temperature and oxidation resistance, cold temperature performance, service life and lubrication cost control. Non-melt base and Molybdenum Disulfide ("Moly") allows outstanding performance in extreme severe applications. Exceeds NLGI GC-LB performance. USDA/NSF H2 and CFIA "n1" compliant.

- Exceeds NLGI GC-LB performance
- Finest multi-purpose grease on the market today
- Excellent friction control
- Superior heat and wear control
- Outstanding high temperature and oxidation resistance
- Non-melt base
- USDA/NSF H2 and CFIA "n1" compliant

### Specifications

Manufacturer	Swepco
Package Quantity	30
