

Elvex Sonoma Safety Glasses - Grey

R7039G

Details

Great style and sophisticated design. This model is one of the best looking and fits a great variety of facial configurations. Grey lens with gunmetal grey frame. Works as an alternative to indoor/outdoor lenses with less glare. Temples with rubber inserts. Polycarbonate lenses. Complies with ANSI Z87.1 (+).

- Hard coated polycarbonate lens
- Vented soft rubber nose bridge
- Rubber tipped temples for extra comfort
- Complies with ANSI Z87.1-2010 (+)
- Grey lens with gunmetal grey frame
