

Elvex RimFire Safety Glasses - Copper Blue Blocker

R7088BB

Details

Elvex RimFire safety glasses are lightweight, ballistic rated tactical sunglasses with dual-lens design . The ballistic Vo rated lens provides an extra level of impact protection, 7x the energy of the ANSI Z87.1 High Velocity Test. 50% Copper Blue Blocker provides excellent outdoor sun glare reduction with "blue blocking" properties to reduce outdoor haze and increase contrast. Enjoy rugged, soft rubber padded temples and non-slip FlexGrip nasal pads that self-adjust for a comfortable and secure non-slip fit. These great looking glasses feature SuperCoat Anti-Fog, Anti-Scratch and Anti-Static with superior washable coating. 50% Copper Blue Blocker lens with matte black frame.
